

[Am]

I'm really close to [Am] night [C]
And I feel like I'm [Bm] moving inside her [E7]
Lying in the [Am] dark [C]
I think that I'm be [Bm] ginning to know [E7] her
Let it [Am] go [C] I'll be there when you [F] call

And whenever I [C] fall [G] at your [Am] feet [F]
You let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] touch your [G] slow turning [Am] pain [F]

You're hiding from me [Am] now [C]
There's something in the [Bm] way that you're talking [E7]
The words don't sound [Am] right [C]
But I hear them all [Bm] moving inside [E7] you
[Am] Go, [C] I'll be waiting when you [F] call

Whenever I [C] fall [G] at your [Am] feet [F]
And you let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] touch your [G] slow turning [Am] pain [F]

The finger of [C] blame has turned up [G] on itself
And I'm [Am] more than willing to [F] offer myself
Do you [C] want my presence or [G] need my help
[Am] Who knows where that might [F] lead

I [C] fall..... [G] [Am] [F]
I [C] fall..... [G] [Am] [F]

Whenever I [C] fall [G] at your [Am] feet [F]
And you let your [C] tears [G] rain down on [Am] me [F]
Whenever I [C] fall [G], whenever I [Am] fall [F]
Whenever I [C] fall [G], whenever I [Am] fall [F] [G] [C!]
