[Em] London calling to the [F] faraway towns
Now [Em] war is declared and [G] battle come down
[Em] London calling to the [F] underworld
Come [Em] out of the cupboard, you [G] boys and girls
[Em] London calling, now [F] don't look to us
[Em] Phony Beatlemania has [G] bitten the dust
[Em] London calling, see we [F] ain't got no swing
[Em] Cept for the ring of that [G] truncheon thing
The [Em] ice age is coming, the [G] sun is zooming in
[Em] Meltdown expected, the [G] wheat is growin' thin
[Em] Engines stop running, but [G] I have no fear
'Cause [Em] London is drowning, and [D] I... live by the
river

[Em] London calling to the [F] imitation zone
[Em] Forget it, brother, you can [G] go it alone
[Em] London calling to the [F] zombies of death
[Em] Quit holding out and [G] draw another breath
[Em] London calling and I [F] don't want to shout
But [Em] when we were talking I [G] saw you running out
[Em] London calling, see we [F] ain't got no high
Ex[Em]cept for that one with the [G] yellowy eye
The [Em] ice age is coming, the [G] sun is zooming in
[Em] Engines stop running, the [G] wheat is growin' thin
A [Em] nuclear era, but [G] I have no fear
'Cause[Em] London is drowning, and [D] I,.. I live by the
river

Instrumental with oowoowoowoow etc

[Em] London calling, yes, [F] I was there, too
An' you [Em] know what they said? Well, [G] some of it
was true!
[Em] London calling at the [F] top of the dial
And [Em] after all this, won't you [G] give me a smile?
