

Walk Right Back The Everly Brothers

Intro: D Bm F#m Bm F#m Bm D Bm F#m Bm F#m Bm

[D] I want you to tell me why you walked out on me
I'm so lonesome every [A] day
I want you to know that since you walked out on me
Nothing seems to be the same old [D] way

Think about the love that burns within my heart for you
The good times we had before you went [G] away [B7] oh [Em] me
Walk right back to me this minute
[D] Bring your love to me, don't send it
[A] I'm so lonesome every [D] day

These eyes of mine that gave you loving glances once before
Changed to shades of cloudy [A] grey
I want so very much to see you just like before
I gotta know you're coming back to [D] stay

Please believe me when I say it's great to hear from you
But there's a lot of things a letter just can't [G] say [B7] oh [Em] me
Walk right back to me this minute
[D] Bring your love to me, don't send it
[A] I'm so lonesome every [D] day
[A] I'm so lonesome every [D] day
[A] I'm so lonesome every [D] day
